Thanks to all.

I just got off the phone with Dr. TerMaath and he said he will look into flights and try to make it work.

Laura and Enrique:

Last Friday, October 6, we received the attached AF's response to our September 17 letter. In that letter, they requested a conference call between Dr. TerMaath and the two of you before moving forward with EBR. Since we are scheduled to be together for our next quarterly meeting on Thursday, Oct 19 and Friday, Oct 20, I reached out to Philip Mook to ask if the AF may be interested in a face-to-face discussion. Philip indicated that Dr. TerMaath may be available to travel to AZ. We are tentatively looking at Friday, Oct 20 from 1-3pm. He will check with Dr. TerMaath and get back to me. Would that work for both of you? Please let me know.

Thanks,
Angeles

Dear Ms. Herrera and Ms. LePage,

Thank you for your 21 September 2017 letter. My response letter is attached. The AF looks forward to proceeding with the ST012 remedial action, and meeting the ROD's cleanup objectives and schedule.

Sincerely,
